

# Windows

## Three proofing tablet computer

 processor: Intel cherry trail Z8350, 1.44GHZ~1.92GHZ	 operating system: Windows 10
 resolving power: 1280*800	 Screen size: 10.1 IPS LCD, Vertical screen

## Core technology, Gather together

Industrial quality,  
nine advantages.

 Intel processor	 HD camera	 satellite positioning	 a phone fit all kinds of networks
 Strong compatibility	 Multiple interfaces	 QR code scanning	 fingerprint identification

## ***Competent for various harsh environments***

All open air

Rainy days

Temperature  
sensing environment

electromagnetic  
interference

# ***waterproof***

Meet MIL-STD 810G test standard,  
Tight and waterproof, not afraid of harsh environment,  
Not afraid of water and rain.

## ***Not afraid of the cold, Easily cope with harsh environments***

*Through strict high and low temperature tests,  
it can operate normally at temperatures from minus  
20 °C to minus 60 °C without fear  
of outdoor hot or cold working environment!*

-20°C  60°C

Removable battery

The battery can be charged  
by a separate base after being removed

# IP67

Fully reinforced three proof flat plate

Waterproof  
dustproof  
fall proof

# High capacity lithium battery

Built in large capacity lithium battery,  
Long lasting power  
It can meet the needs of long-term outdoor use

## ***10000mA removable lithium battery***

3.8V High voltage lithium ion battery with large capacity,  
Long distance travel, long standby!

# Powerful inner core, Strong performance

Running memory

8GB

Storage memory

128GB

operating  
system

Windows  
10

Inter Core I7/I5 CPU  
performance is more powerful,  
stable, data is not lost, saving money and worry

It is more suitable for the needs of various industries.  
Its powerful inner core makes  
the machine run faster and more smoothly !

## Multiple application fields

### Selected landing cases and application scenarios

industrial automation

Intelligent forklift application

Tower crane monitor

Toll Gate

Smart medicine

Car Compass

Smart storage

recreational machines

# Application scenario display

Coal mine explosion-proof

Construction site

Fishing boat wading

Field exploration

Power patrol inspection

Forest industry fire protection

Beidou satellite positioning

Navigation

Warehousing logistics
